On To Richmond (# 2 In The Bregdan Chronicles Historical Fiction Romance Series)

Synopsis

Historical fiction is my passion. I so love bringing history to life - the reason I dedicate most of my time to writing historical fiction books! On To Richmond is the second in the ongoing Bregdan Chronicles historical novel series. It's readers like you who have turned it into a world-wide best-seller. Thank you! Book Description: Burdened with the responsibility of running an entire plantation, Carrie Cromwell fights to understand the forces tearing her beloved country apart. As battles rage around her, she watches as her life slowly unravels and she discovers truths she would never have imagined. Will her actions and decisions push her even further from those she loves? When the danger she dreads becomes reality, will she find the courage and strength to escape? Robert is pulled into battle, facing things he would never have imagined. Moses and Rose face a great loss, and then make a decision that could claim their lives. Everyone struggles to survive and live in a country that has exploded into Civil War. The second book of The Bregdan Chronicles historical fiction series will pull you in and never let you go. You'll experience the Civil War era (and all the years to come) through the eyes of both White and Black, free & slave, Southern & Northern - and you'll fall in love with every character. How many books will be in the Bregdan Chronicles? You'll have to ask God about that... I intend to write these character's stories, one year at a time, for as long as I'm able to write. I'm passionate about bringing history to life through historical fiction. Since I'm amazingly healthy, that could be for a very long time! I don't like stories to end any more than you do. This one won't end for a very long time! Review: I enjoyed this book as much as the first in this historical fiction series. Ginny, you are a wonderful writer. I get so engrossed in your Chronicles that I cannot put my Kindle down. I have gotten so connected with the characters and the history is superb. I have already purchased the next and really shouldn't start on it now if I plan to sleep tonight! Thanks. Review: It was an easy read and full of excitement. After reading the first book I couldn't wait to read the second, and now that this one is finished I can't wait to read the third. Love this time period and have read so many historical fiction books of the Civil War. Some are far better than others and this series sure seems to fit the bill.

Customer Reviews

I thoroughly enjoyed the first book in the Bregdan Chronicles, "Storm Clouds Rolling In" and I was not disappointed with this, the second book in the set. The history is accurate, and the story lines are well developed. I enjoy the way the author tells the story from several different character's perspectives. There have been many times when I've kept reading long after I should have gone to sleep, but I just couldn't put the book down. The author has done a great job of drawing me into the story - tears, laughter, heartbreak, joy as I relate to the characters and what is happening in the story. Starting book three tonight!

If there were not a number III and IV to go to next... This series is sure interfering with my sleep time but ask me if I care!!! I am enjoying every minute and can't wait to start Spring Will Come as soon as I convince anyone that is thinking of starting this series that you will be glad you did.... It is historically educational and the characters are all people you will love, like or dislike. There is a lot of wisdom within these Pages.

Ginny Dye is one great writer and I love reading what she writes! Great history of the Civil War events, and keeps one interested in all characters, and what is going to happen next. She writes not just of the Civil War, but of families and how all effects slavery and the war creates in their lives. Read and enjoy this book, and all in the Bregdan Chronicles.

It seems to be beyond many modern authors to depict love, romance and passion without overt sex

scenes (explicit language and descriptions of sex). Ginny Dye delivers this along with a lot of good historical facts mixed in with the storyline and believable loving familial relationships as well. Very, very enjoyable. Add to that, the most understandable explanations of the root of the heartfelt emotions on both sides of the Civil War and for me-----that deserves 5 stars. I am now on #3 in the series.

I am a huge fan of historical fiction on the Civil War because the Civil War was an answer to prayer for African American slaves because this war helped give my ancestors their freedom. I have read book 1 and 2. Both books were so interesting to read and they were very hard to put down. I am looking so forward to reading the next books in the series. Thanks Ginny Dye!

I really love this series. It is so well written and the people are so real. I can not wait to read the next book.

The whole series is fantastic and this book is no exception. Keep you on your toes and ends great! Read the whole series and you won't be sorry:)

I enjoyed every minute of this book and look forward to the next one in the series. I have also gifted this to several of my friends.
