Excellent resource for mandarin teachers in the elementary age. This is the 2nd book of a 2 book series. This book has lessons and activities from February to August. I love how this series corresponds with the American calender and includes so much content of the chinese culture.

I guess that most Chinese teacher love this book. Because there are many cartoons in it. And it is worthy to buy though it is a bit expensive.

Very helpful, If there're CD that will be perfect

Good book. Thanks.
