Customer Reviews

I purchased this to teach Italian to my 7 year old as part of our homeschooling this year. I do not speak Italian, so I needed something basic. This set has been just what I wanted- something simple and low key. Each lesson has a CD portion to listen to, and an activity to do to reinforce what we've learned. I do wish that the lessons built on each other more, to reinforce vocabulary from the previous lesson- but its very easy to add that in myself with this program. You won't learn to speak fluent Italian from this program, but its a great introduction for the price.
