The Mercy Watson Collection Volume II: #3: Mercy Watson Fights Crime; #4: Mercy Watson: Princess In Disguise

Synopsis

Mercy Watson Fights CrimeOne night, Mercy hears a noise. An unlikely thief is robbing the Watsons! But as the thief soon discovers, crime doesn't pay. Not when there is a very large pig involved. *Mercy Watson: Princess in Disguise* It's Halloween on Deckawoo Drive, and Mr. and Mrs. Watson have decided on the perfect costume for Mercy. Mercy is encouraged by the promise of treats. For what could be better than a treat-getting adventure? Especially if it happens to involve a chase. . . .

Customer Reviews

We got the Mercy Watson CD sets to entertain our child on road trips. Our idea was that they would be nice to have in the car instead of the books. Our kid changed the plans though and requires BOTH the CD and book now. It's really helped in the beginning reading, much like the read-along books that we used as children. If your child is a fan of the books then I think these are a great addition, but don't expect to be selling off the books anytime soon.

I don't have kids, but I was to do a pig presentation for a children's book club so I thought I better read this series! Found the audible version and I have to say it was thoroughly enjoyable! Every child should read this series!

My kids (aged 5 and 2 1/2) love these books, and we all love the audio books. Each character has a distinct voice, which makes the stories enjoyable to listen and easy to follow. Kate DiCamillo writes with a nice mix of silly and serious, which catches my kids attention every time. I'd highly recommend having the books along with the CDs - the illustrations are terrific. And for beginning readers, it is great to be able to follow along with the story. Can't say enough good things about this series!

Last year my son was in first grade. He loved the whole Mercy Watson series because they are funny chapter books he can read on his own. We gave him the CDs to listen to as he read the books to himself. My son enjoyed listening to the CD over and over. The reader and the sound effects are very nice and not annoying. This was a nice, quiet activity which was educational and enjoyable.
