Peter Pan And Other Plays: The Admirable Crichton; Peter Pan; When Wendy Grew Up; What Every Woman Knows; Mary Rose (Oxford World's Classics)

Synopsis

As well as being the author of the greatest of all children's plays, *Peter Pan*, J.M. Barrie also wrote sophisticated social comedy and political satire. *The Admirable Crichton* and *What Every Woman Knows* are shrewd and entertaining contributions to the politics of class and gender, while *Mary Rose* is one of the best ghost stories written for the stage. For this edition, the texts of these plays have been newly edited and are supplemented with an in-depth introduction and detailed annotations.

Book Information

Series: Oxford World's Classics

Paperback: 384 pages

Publisher: Oxford University Press; New edition edition (July 15, 1999)

Language: English

ISBN-10: 0192839195

ISBN-13: 978-0192839190

Product Dimensions: 7.7 x 1.1 x 5 inches

Shipping Weight: 10.6 ounces

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (6 customer reviews)

Customer Reviews

I admit it is odd that, after being a fanatical Pan Fan for three years, I just recently read a copy of the play (back in March), which is essentially where it all began. I was surprised at how different it was from the novel "Peter Pan and Wendy". There are several instances in the play that are not in the novel (for instance, the children try to catch a mermaid), and also some things that have been added exclusively to the novel (like how Wendy issues examinations on home-life). There were introductions to each act describing the setting, which is helpful in envisioning the Darling's adventures. I was sorry to find that the play lacked the emotion of the book, although this was most likely because I was not actually watching actors perform it. Dialogue and stage directions can be pretty dull, even with the wonderful narration provided by Barrie. Even though it was lacking in emotion, most of the characters are more well-developed in the play. Peter and the Darlings are

more realistic in this edition, probably because they have more dialogue. I even liked Tink better in the play than in the book. However, I was disappointed at what small parts the Lost Boys had. Even when they did make appearances, their dialogue was not as funny as it was in the book. The same goes for Mr. Smee. It was also strange to read such a different ending. Slightly the Lost Boy does not even get Mrs. Darling for his mother! This particular edition also includes the short play "An Afterthought", where Peter returns when Wendy is grown. I surprised to hear that Wendy had married a lost boy, although they do not say which one she marries. All in all, I preferred the novel over the play. It was far more descriptive and touching.
