Customer Reviews

This book was fun, and had some great writing in it. but here's the question. 'Is it a children's book?'. Now i dont know. but it had the qualities of a children's book, and the qualities of a young adult book. This book had the simplicity of a book that a 8-11 reader would be interested in. but had Gangs,partying late at night,jail,and hinting to age mature slang. Like when it said "NETHER YEAH!!" (which it did more than once) Any Minecrafter would immediately translate that into (please excuse me for saying this) "HELL YEAH!!". for the infamous Nether is (for those who dont know) a

hellish dimension that is covered with fire and lava. There are more examples that I could give, but I think you already got the picture. But on the bright side, the story is very good the author spent a lot of time making and editing this book. and if you see bad grammar. Well that's what the author intended. And there is a lot of earth references in it. such a Martial arts, Yatseeâ„¢,Skrableâ„¢, and earthly places like India, and China. and earthly animals like boars and snakes. it was a good read in my opinion. but i dont recommend it as a regular minecraft diary.(Please excuse all, if any spelling errors. twas written on a kindle)P.S. Hey Luna lily, why do you keep changing your name on ? please pick one and stay with it.-The guy that starts with an S ;)
