Celebrations Book/CD Gift Set: Rituals Of Peace And Prayer

Synopsis

A Book and CD Gift Set Grace, dignity, and eloquence have long been hallmarks of Maya Angelou's poetry. Her measured verses have stirred our souls, energized our minds, and healed our hearts. Whether offering hope in the darkest of nights or expressing sincere joy at the extraordinariness of the everyday, Maya Angelou has served as our common voice. Celebrations is a collection of timely and timeless poems that are an integral part of the global fabric. Several works have become nearly as iconic as Angelou herself: the inspiring "On the Pulse of Morning," read at President Bill Clinton's 1993 inauguration; the heartening "Amazing Peace," presented at the 2005 lighting of the National Christmas Tree at the White House; and "Mother," which beautifully honors the first woman in our lives. Angelou writes of celebrations public and private; included in this volume are a bar mitzvah wish to her nephew and a birthday greeting to Oprah Winfrey. More than a writer, Angelou is a chronicler of history, an advocate for peace, and a champion for the planet, as well as a patriot, a mentor, and a friend. To be shared and cherished, the wisdom and poetry of Maya Angelou prove there is always cause for celebration.
