Silent Night: A Spenser Holiday Novel (Spenser Holiday Novels)

Synopsis

It's December in Boston, and Spenser is busy planning the menu for Christmas dinner when he's confronted in his office by a young boy named Slide. Homeless and alone, Slide has found refuge with an organization named Street Business, which gives shelter and seeks job opportunities for the homeless and lost. Slide's mentor, Jackie Alvarez, is being threatened, and Street Business is in danger of losing its tenuous foothold in the community, turning Slide and many others like him back on the street. But it's not a simple case of intimidation. Spenser, aided by Hawk, finds a trail that leads to a dangerous drug kingpin, whose hold on the at-risk community Street Business serves threatens not just the boys' safety and security, but their lives as well. Unfinished at the time of his death, *Silent Night* was completed by Parker's longtime agent, whose decades-long association with Parker's work gives her unique insight and perspective to his voice and storytelling style. Her contribution also speaks volumes about their enduring friendship.

Brain. The CEO of Penguin Books cocked an ear, wondering what he just heard. He looked at the expansive view offered by his window, taking in the cityscape. Across the way were the windows of another building and he could see the secretaries within, sitting at their desks. "Excuse me, Sir." buzzed his intercom. "There are people in the lobby and security is concerned for our safety." "Thank you," he said. "I'll look into it." A questioning look took over his face. Rising from his

exquisite leather covered chair, the CEO crossed his office and opened the door. A security guard immediately grabbed him and pressed him back into his office. "Hey!" "Remain inside and keep this door locked!" yelled the guard. "What's happening?" yelled the CEO. "Zombies!" cried out the security guard. "The undead are swarming the offices and attacking everyone. They're eating BRAINS! It's awful. There's Spenser and Martin Quirk, Captain Healy, Vinnie Morris, Hawk, Henry Cimoli and Rita Fiore. All dead but brought back to life. Zombies I tell you! Zombieeeeee! Oh my God, it's Susan Silverman. Whew! Not as pretty s described anymore. And what's that smell?" "My God!" cried the CEO. "What have we done?" "Look out!" screamed the guard. "Jesse Stone is breaking through the outer door. My God, next we'll see Sunny Randall and her friend Spike!" BAM. BAM. BAM. The security guard shot a festering and rotting dog that had made its way through the shattering outer door. "Jeez, I think that was Pearl." said the guard. Screaming. Chaos. "We just wanted to make a little money! shouted the CEO.
