Bilingual Book In Japanese And English: Pig Learn Japanese For Kids (Japanese Edition)

Synopsis

Can you imagine what it is like to live in a flowerpot and confuse one animal with another? Our chatty little plants Basil, Rosemary and the sisters know all too well the problems and fun it causes. This is for bilingual children and others wanting to read a dual language text in English and Japanese with illustrations. The bilingual story is presented twice. In the first part, the parallel Japanese text contains just hiragana and katakana characters. In the second part, simple Kanji characters are included which would typically be recognised by Japanese children in their third and fourth year of full time education. For ease of understanding, the languages are displayed together mostly one or two sentences at a time. The aim was to make the translation as direct as possible but always using everyday language of native speakers. Reading this fun bilingual story will help you learn Japanese. Excerpt from the story: The sisters agreed that Pig had very long legs for a pig. None of the plants knew Pig's real name but it must be Pig because he was greedy, smelly, and dirty. A long way above the plants, at the top of Pig's legs, there was a long tail.

Book Information

File Size: 967 KB

Print Length: 24 pages

Simultaneous Device Usage: Unlimited

Publisher: Lingolibros (November 29, 2013)

Publication Date: November 29, 2013

Sold by: Digital Services LLC

Language: Japanese

ASIN: B00ET5XML6

X-Ray: Not Enabled

Word Wise: Not Enabled

Customer Reviews

parents love it so does my grandchild

Have not bought; have not read. / POSTER: There is a typo in the title text. Kanki should be Kanji.
Sorry I couldn't see where else to comment.
