Customer Reviews

Are you interested in finding some great resources to train your brain? This book "55 Smart Apps to Level Up Your Brain" rounds them up for you in a well written format. This book is more than just a list of apps. The author outlines which devices and platforms the apps work on and explains why these are such great tools for your brain. The book includes several sections which organizes the apps into categories. Appendices outline the apps by device. I've already added some new apps to my training routine.

Lots of information all useful, just the book I was looking for.
