Customer Reviews

so good book! so there's a slime that can glide but not jump. Then time passes then when that slime can jump or hop he wants to know how to glide!!!!!! now he finally understands that even he can't

do something, like jumping and glidingâ | it doesn't matter. and even he can't do what slimes can do doesn't mean he's not a slime. keep the great work!

I'm excited to read the book! I think that all of your ideas are creative! I would never think of your books as boring. I guess some other ideas could be like: Diary of a Minecraft Fish, Diary of a Minecraft Sword (Like Steve going on an adventure with his lucky diamond sword. (Story written in sword's point of view). Be innovative. There are lots of ideas but you just have to think! Merry Christmas!

I really like this book. I think for a sequel you could have the siblings try to get into one Slime again. Also WHY ON EARTH WOULD SOMEBODY RATE IT ONE *!!!!!! This is truly great writing, and if you rate it less, then come up with a better reason than "No. Just no." Got it?

I liked the ending, I liked the beginning, I liked the rest. However, none of that would have happened if the slides had simply, when they broke up in the beginning, gotten themselves back together, with help if needed. But then it wouldn't be much of a book XD

This is funny! Talk: This book THIS IS REALLY FUNNY! (Warning! Contains spoilers) The slime wants to bounce but can't. After dying by a human, the slime wakes up in his home. He can bounce! But he miss sliding. This was SO funny. ^† Lol. „ Merry Christmas! ‘ • ȷ ‘ • ȷ ‘ • ™œ

I read this to my 7 year old who has become obsessed with Mine craft. We both enjoyed it. I will purchase more of these books for his Kindle. I think he'll like to read these on his own. (I keep trying to type mine craft as one word, but autocorrect)

This is ANOTHER great book by Crafty Nicole. The part that I think was the funniest was *WARNING CONTAINS SPOILERS* when the slime woke up after being killed by a human, he wanted to slide and be different from everyone else. Keep writing! -Rajan G.

you've written 60 books on minecrafft entries. I think you are running out of mobs to write about. I suggest you continue a book series untill another updat comes out that will add new mobs
