# Warriors: Tigerstar And Sasha #3: Return To The Clans (Warriors Manga)

## Synopsis

Sasha has returned to the forest to raise her kits, Moth, Hawk, and Tadpole, but Tigerstar still haunts her dreams. She thinks she's a safe distance from ShadowClan's prying eyes, but Sasha fears that Tigerstar will soon discover the existence of his kits. As leaf-bare stretches on and Sasha finds it harder to feed her family, she wonders if her kits might be better off as warriors, with a Clan to protect and train them. But where does Sasha belong?

## Customer Reviews

i purchased all the books for my grandchildren. i have four and they are all girls. they were very excited to get them and read and enjoyed each book.their parents have purched more since they have read these.

This was a delightful story. Charming, really. I very much enjoyed myself while I read this novel. So sweet.

I choose this rating because when I read the first book I didn't get it. But when I read it again soon it made sense to me. So I wanted to read the second area third book in this series. If you are reading this series you should read the first books

I really like this book . It tell you how hawk and moth got to river clan,it also tell you about Moth and Hawk brother. I think its it's a good book I highly recommended this book to warriors lover's.

I believe erin hunter is the best writer of these books!!none can even try to copy her because sheis unique ,descriptive,and she is also inspiring me of writing my own books in the future .GO WARRIORS !!!

I thought it was a great book to read . It shows how she raises all her kits and chooses to become warriors or not.

My kids were satisfied with the book, no tears, no pages torn out or torn. All in great condition.  
Thanks

I bought all the Warriors books for my granddaughter in North Carolina. I bought her some for Christmas 2011 and for her birthday in 2012. She is collecting Erin Hunters Warriors books and I'm trying to finish the collection from her grandma. I will be getting her more for Christmas 2012.
