Customer Reviews

I just received this book and was not happy with it. This book is really poorly done. First of all, the photographs of the different babies' faces are just not very good quality. Second, the English font is so big that it makes it seem like a book in English with some Arabic translations, which then makes the fact that it is bound right to left just plain confusing to babies/toddlers. There are no diacritical marks on the Arabic words, which makes it really hard for using the book later to teach how to read the words. I also didn't like their choice of words for some of the expressions-- the English word is an adjective and the Arabic one a noun. My 8 month old loves looking at this book! It's a smaller book but the firm, sturdy, board book pages make it easy for him to hold. Cute babies in all the beautiful colors babies come as
