The October List

Synopsis

One of Kirkus Review's "Best Books of 2013" The shocking end is only the beginning . . . #1 bestselling author Jeffery Deaver has created the most riveting and original novel of the year-a race-against-the-clock mystery, told in reverse. THE OCTOBER LIST Gabriela waits desperately for news of her abducted daughter. At last, the door opens. But it's not the negotiators. It's not the FBI. It's the kidnapper. And he has a gun. How did it come to this? Two days ago, Gabriela's life was normal. Then, out of the blue, she gets word that her six-year-old daughter has been taken. She's given an ultimatum: pay half a million dollars and find a mysterious document known as the "October List" within 30 hours, or she'll never see her child again. A mind-bending novel with twists and turns that unfold from its dramatic climax back to its surprising beginning, THE OCTOBER LIST is Jeffery Deaver at his masterful, inventive best.

Iâ™ve been a long-time fan of Deaverâ™s well-executed serial killer novels starring his dynamic duo Lincoln Rhyme and Amelia Sachs. His next series with Kathryn Dance was less inspired, and when he wrote the Ian Fleming knockoff Carte Blanche, I was worried that the old Deaver magic had gone walkabout. So I was happy to learn that Deaver has re-discovered his creative flair for the original and the bizarre in The October List. Donâ™t get me wrongâ™the writing itself is not stellar and the characters are far from deep. But his decision to write a book in reverseâ™thatâ™s right, his first chapter is the end of the story, which goes steadily backwards in time with each successive chapterâ™was a self-challenge in creativity which brilliantly exercises the mind of the reader as well.

It may be gimmicky, but it is great fun! Single mother Gabriela MacNamara has just learned (1) that her beloved boss is actually a financial advisor to criminals, and has just skipped town with millions after learning of an imminent police raid and (2) her 6-year-old daughter Sarah has been kidnapped by one of those criminals, who wants Gabriela to come up with half a million dollars and a list of her boss's other advisees, the so-called October List. Gabriela had just met a gorgeous rich guy named Daniel when her whole life blew up, but fortunately, he knows some influential people who are going to help her find the October List and get her daughter back. And Daniel, clearly besotted with her, is sticking to Gabriela like glue.
