To The Lighthouse (Modern Classics (Naxos Audiobooks))

Synopsis

To The Lighthouse is Virginia Woolf's most accomplished novel, and her most autobiographical. It tells of one summer spent by the Ramsay family and their friends in their holiday home in Scotland. Offshore stands the lighthouse, remote, inaccessible, and external presence in a changing world. A projected visit to the lighthouse forms the heart of this extraordinary novel which, through the minds of the various characters, explores the nature of time, memory, transience and eternity. The style has the clarity of a diamond which shimmers in the mind, making To The Lighthouse one of the most unforgettable novels of the twentieth century.

Book Information

Series: Modern Classics (Naxos Audiobooks)

Audio CD: 2 pages

Publisher: Naxos Audiobooks; Abridged edition (July 1, 1995)

Language: English

ISBN-10: 9626340363

ISBN-13: 978-9626340363

Product Dimensions: 5 x 5.6 x 0.4 inches

Shipping Weight: 1.6 ounces

Average Customer Review: 3.9 out of 5 stars [See all reviews](#) (415 customer reviews)

Customer Reviews

Many critics, teachers and readers consider To the Lighthouse to be Virginia Woolf's masterpiece. To the Lighthouse was published in 1927 and its structure is unique, although it does contain elements of the Victorian. Woolf wrote this novel in only one year and did very little rewriting. Both subtle and sharp, the ease with which the book was written is apparent in the flow of both its narrative and its prose. The novel was written during one of the brief peaceful and happy times in Woolf's life. (In 1895, after her mother's death, Woolf became almost continuously depressed and suffered a series of nervous breakdowns, culminating in her suicide by drowning in 1941.) To the Lighthouse, like Woolf's previous novel, Jacob's Room, is a somewhat disjointed story, possessing numerous characters, points-of-view and conflicts. The overlapping and separation of the characters and their stories seems to result from both intention and oversight and is a product of

what Woolf referred to as "all characters boiled down," and the "break of unity in my design."The story centers around the summer vacation to the Isle of Skye of the Ramsey family, a family Woolf admitted was very much like her own. In fact, Woolf said that writing *To the Lighthouse* helped her "rub out" the obsessive memory of her own mother. Mrs. Ramsey, like Woolf's own mother, is a woman of decidedly Victorian ideals, choosing to focus on her home, her marriage and her family. Interacting with Mrs. Ramsey is the character most representative of Woolf, herself, Lily Briscoe, a young girl who is staying in the same beachouse as the Ramseys. Unmarried, Lily draws both disapproval and sympathy from Mrs.
