Customer Reviews

We listened to these tapes years ago when in our car traveling with our sons. We couldn't get out of the car after reaching our destination till the story was done. Great lessons for kids. Now they are on CD's and I am hoping my grandkids will enjoy them as much as my kids did.

This is an Excellent AIO Album that includes lessons on Obedience and doing what one's parents ask you to do. As well as it talks about choosing the right friends and not to stay in "Bad Company" -

like the Episode is called. It has the Episodes for: "The Prodigal, Jimmy", "A Matter of Obedience"

We have enjoyed Adventures in Odyssey for years and this CD was no exception. There are always lessons to be learned and discussions to be had after listening to Odyssey while we travel. Highly recommended.

We listen to AiO a lot on our drive to school or on long vacations. The first thing my kids say when they get in the car is, "Can we listen to Odyssey?" I would never say "no" to AiO....it's awesome!

We love Adventures in Odyssey! However, I wish would post the episodes included on each disc set. It is hard to know if I am ordering duplicates since there are so many "character trait collections", "golden series collection", etc.

Always enjoyed the episodes of Odyssey. Bought them years ago for my kids and am now buying them for my grandkids.

Can't go wrong with any Adventure in Odyssey! My children drink these up! Great stories with great life lessons!

it so much better to listen to a story- I get so much more out of it- thanks so much, such a cute series
