## Synopsis

This audiobook collection includes four legal thrillers from New York Times best-selling author John Grisham. Collection includes: The Associate, The Confession, The Litigators, and The RacketeerÂ Â Â The Associate (5 CDs, Abridged):Kyle McAvoy possesses an outstanding legal mind. Good-looking and affable, he has a glittering future. He also has a dark secret that could destroy his dreams, his career, even his life. One night that secret catches up with him. The men who accost Kyle have a compromising video theyâ ™ll use to ruin himâ “unless he does exactly what they say. What they offer Kyle is something any ambitious young lawyer would kill for: a job in Manhattan as an associate at the worldâ ™s largest law firm. If Kyle accepts, heâ ™ll be on the fast track to partnership and a fortune. But thereâ ™s a catch. Kyle wonâ ™t be working for the firm but against it in a dispute between two powerful defense contractors worth billions. Now Kyle is caught between the criminal forces manipulating him, the FBI, and his own law firmâ “in a malignant conspiracy not even Kyle with all his intellect, cunning, and bravery may be able to escape alive.Â The Confession (5 CDs, Abridged):An innocent man is about to be executed.Only a guilty man can save him.For every innocent man sent to prison, there is a guilty one left on the outside. He doesnâ ™t understand how the police and prosecutors got the wrong man, and he certainly doesnâ ™t care. He just canâ ™t believe his good luck. Time passes and he realizes that the mistake will not be corrected: the authorities believe in their case and are determined to get a conviction. He may even watch the trial of the person wrongly accused of his crime. He is relieved when the verdict is guilty. He laughs when the police and prosecutors congratulate themselves. He is content to allow an innocent person to go to prison, to serve hard time, even to be executed. Travis Boyette is such a man. In 1998, in the small East Texas city of Sloan, he abducted, raped, and strangled a popular high school cheerleader. He buried her body so that it would never be found, then watched in amazement as police and prosecutors arrested and convicted DontÃ© Drumm, a local football star, and marched him off to death row.Now nine years have passed. Travis has just been paroled in Kansas for a different crime; DontÃ© is four days away from his execution. Travis suffers from an inoperable brain tumor. For the first time in his miserable life, he decides to do whatâ ™s right and confess.But how can a guilty man convince lawyers, judges, and politicians that theyâ ™re about to execute an innocent man?Â The Litigators (5 CDs, Abridged):The partners at Finley & Figg often refer to themselves as a â œboutique law firm.â • Boutique, as in chic, selective, and prosperous. Oscar Finley and Wally Figg are none of these things. They are a two-bit operation of ambulance chasers who bicker like an old married couple. Until change comes their wayâ ”or, more accurately, stumbles in. After leaving a fast-track career and going on a serious

bender, David Zinc is sober, unemployed, and desperate enough to take a job at Finley & Figg.Â Now the firm is ready to tackle a case that could make the partners richâ ”without requiring them to actually practice much law. A class action suit has been brought against Varrick Labs, a pharmaceutical giant with annual sales of $25 billion, alleging that Krayoxx, its most popular drug, causes heart attacks. Wally smells money. All Finley & Figg has to do is find a handful of Krayoxx users to join the suit. It almost seems too good to be true . . . and it is.Â The Racketeer (5 CDs, Abridged):Given the importance of what they do, and the controversies that often surround them, and the violent people they sometimes confront, it is remarkable that in the history of this country only four active federal judges have been murdered.Judge Raymond Fawcett has just become number five.Who is the Racketeer? And what does he have to do with the judgeâ ™s untimely demise? His name, for the moment, is Malcolm Bannister. Job status? Former attorney. Current residence? The Federal Prison Camp near Frostburg, Maryland.On paper, Malcolmâ ™s situation isnâ ™t looking too good these days, but heâ ™s got an ace up his sleeve. He knows who killed Judge Fawcett, and he knows why. The judgeâ ™s body was found in his remote lakeside cabin. There was no forced entry, no struggle, just two dead bodies: Judge Fawcett and his young secretary. And one large, state-of-the-art, extremely secure safe, opened and emptied.What was in the safe? The FBI would love to know. And Malcolm Bannister would love to tell them. But everything has a priceâ ”especially information as explosive as the sequence of events that led to Judge Fawcettâ ™s death. And the Racketeer wasnâ ™t born yesterday . . .
